

July 2025

Kaeser Compressors NZ celebrates a decade of excellence in compressed air solutions

2025 marks a significant milestone for Kaeser in New Zealand – ten years since the establishment of Kaeser Compressors NZ Limited. Kaeser has been present in the New Zealand market for over 30 years, supporting customers nationwide through a dedicated network of authorised sales and service partners. Continued growth and demand led to the formation of the limited company in 2015, strengthening Kaeser’s local presence. With its head office in Auckland and ongoing support from its nationwide network, Kaeser delivers premium compressed air solutions and exceptional service to industries across the country.

Supporting New Zealand industry with premium compressed air solutions

Kaeser’s direct presence in New Zealand ensures that compressed air users from Whangarei to Invercargill benefit from fast and reliable access to the latest in German-engineered compressed air technology. With locally held stock and a nationwide network of Authorised Sales and Service Partners, some of whom have been representing Kaeser for over 30 years, Kaeser is well positioned to respond quickly to customer needs. From manufacturing and food processing to aquaculture and marine industries, Kaeser’s energy-efficient and reliable compressed air systems have become a trusted part of production operations large and small.

Service you can count on

Kaeser’s dedicated network of highly skilled service technicians provides comprehensive service and backup nationwide. Each service vehicle is fully equipped with locally held genuine Kaeser service and maintenance parts, ensuring fast, efficient support and minimal downtime. This enables customers across New Zealand to rely on a consistent, dependable supply of compressed air – on demand.

A local team with global backing

Kaeser Compressors NZ is proud to be part of a global organisation with over a century of experience in compressed air innovation. Founded in 1919 in Coburg, Germany, Kaeser Kompressoren has grown into one of the world’s leading compressed air system providers, with a presence in more than 140 countries and over 8,000 employees worldwide.

Despite its global scale, Kaeser remains a family-owned company, and this is reflected in its values. The New Zealand team shares Kaeser’s long-standing commitment to building

lasting relationships, delivering technical excellence, and maintaining unwavering service quality—principles that have guided the company for over 100 years.

Looking ahead

As Kaeser Compressors NZ marks its 10-year anniversary, the company looks to the future with the same pioneering spirit that has driven its success since day one. With continued investment in local expertise, sustainable technologies, and customer-focused solutions, Kaeser remains dedicated to supporting New Zealand's industrial future – one reliable compressed air system at a time.
