KAESER 5+5 Year Warranty
For total peace of mind

TOTAL PEACE OF MIND

The 5+5 Year Warranty from KAESER

The 5+5 Year Warranty from KAESER is available on all new KAESER rotary screw compressors. When you opt to take out the KAESER 5+5 Year Warranty you have total peace of mind that your new KAESER compressor is fully covered for 5 years. A simple assessment at the end of this period will then determine whether you are eligible to roll into the subsequent 5 years of the KAESER 5+5 Year Warranty.

This means that with the KAESER 5+5 Year Warranty, you could cover your new KAESER compressor for a total of 10 years! No upfront costs. No excess charges. No hidden costs. No previous claim penalties. No restrictions on hours run. And, fixed price servicing. It's that simple!

Questions & Answers

01 What products are covered under the KAESER 5+5 Year Warranty?

All KAESER rotary screw compressors purchased from KAESER that are commissioned and approved by a KAESER Service Technician are covered under the KAESER 5+5 Year Warranty.

02 What does the KAESER 5+5 Year Warranty cover?

All the KAESER equipment listed on the KAESER 5+5 Year Warranty Certificate is covered provided that; a KAESER Sigma Service Cover agreement is signed for this equipment, only KAESER Service Technician's commission, service and repair the equipment covered, and only genuine spare parts and lubricants are used.

03 When does the KAESER 5+5 Year Warranty start?

Normally when ordering your equipment, or within 30 days of commissioning or up to 90 days from date of delivery from KAESER.

04 Can a KAESER 5+5 Year Warranty be declined?

If the installation or the environment is not suitable, or the use to which the compressor is put, is not in KAESER's view acceptable, KAESER may have to suggest some changes or even suggest re-situation of the compressor installation before the KAESER 5+5 Year Warranty can be arranged.

05 Can anyone service my KAESER equipment covered by the KAESER 5+5 Year Warranty?

The KAESER 5+5 Year Warranty will only be effective if a KAESER Sigma Service Cover agreement is signed with KAESER. The KAESER 5+5 Year Warranty will become void if a non-KAESER Service Technician services the equipment or non-genuine spare parts or lubricants are used.

06 How does this affect the standard manufacturer's warranty?

The KAESER 5+5 Year Warranty does not affect the standard manufacturer's warranty. The standard manufacturer's warranty will operate as normal for the first year of the products life, subject to standard warranty procedure.

07 Can the KAESER 5+5 Year Warranty be transferred?

Subject to an initial inspection and location dependent, yes an inter-company transfer is possible provided KAESER is notified at time of transfer. It is not possible to transfer the KAESER 5+5 Year Warranty from one customer to another. The equipment servicing schedule must not be interrupted and a new KAESER Sigma Service Cover agreement between KAESER and the customer must be re-signed on an inter-company transfer.

08 Can I cancel the KAESER 5+5 Year Warranty?

The KAESER 5+5 Year Warranty can be cancelled at any time. To take effect, KAESER requires confirmation in writing that the customer no longer wants to participate in the KAESER 5+5 Year Warranty.

MORE AIR. MORE SAVINGS.
