RELEASE

## **Kaeser expands into Lower North Island**

**Kaeser Compressors has recently expanded its direct operations, now providing sales and service support throughout Lower North Island including Palmerston North and Wellington.**

Celebrating its centenary in 2019, German manufacturer Kaeser Compressors has been present in the New Zealand market now for almost 30 years. Strong growth in the region led Kaeser to establish a dedicated subsidiary five years ago. With its head office in Auckland, and alongside an extensive network of Authorised Sales and Service Centres, Kaeser Compressors NZ Limited provides comprehensive sales and service throughout New Zealand.

Kaeser recently expanded its direct operations and now provides premium quality compressed air sales and local service support throughout Lower North Island – including Palmerston North and Wellington – the surrounding Manawatu-Wanganui district and into the Wairarapa.

Premium service plays a key role in ensuring that a compressed air system operates at its peak performance and provides maximum production reliability. Compressed air users in Lower North Island can be assured that whatever the make or model of their air compressor, when they choose Kaeser they will receive premium service support. And, for existing Kaeser compressor owners in the area, it is worth remembering that only current authorised Kaeser Service Technicians are factory training with the most up-to-date information and skills to service Kaeser compressed air equipment. And, they will only ever use genuine
